

Epernay mon amour

- 2nd edition -

From the 11th to the 14th of February 2023,
the heart of the Champagne region never stops beating !

Champagne : to everyone, the word relates to elegance, sharing, and French Romanticism! This exceptionally famous wine is the perfect partner to all loving moments, both intimate and in company.

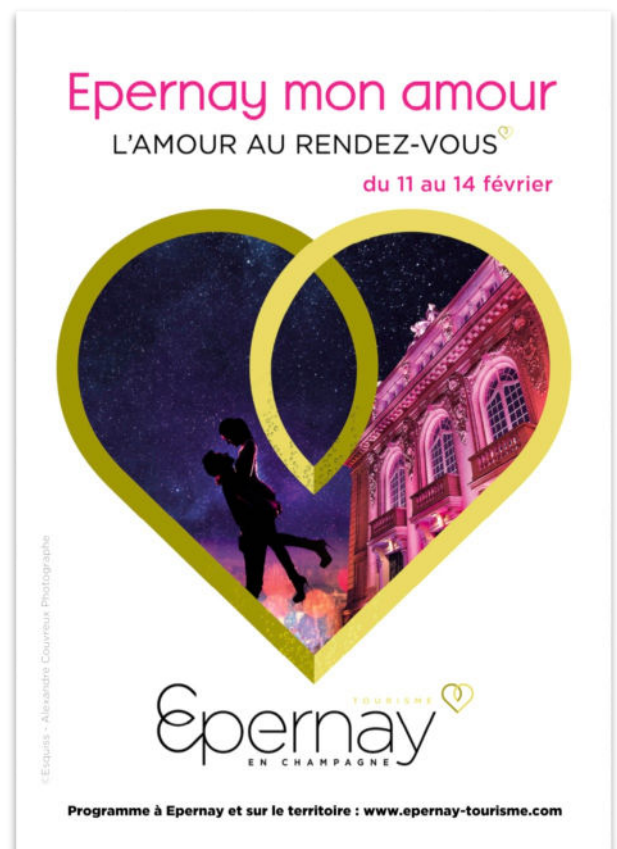

The unrivalled quality of its terroir delights both visitors and locals, who are seeking to fulfill their dreams and emotions.

In the region of Champagne, there are always some privileged moments to experience. This is why during Valentine's Day, our destination declares its love to its locals, as well as to its visitors, by inviting them to live unique moments.

The rendez-vous will be romantic, the events will flirt with the bubbles, the dishes and the wines will join with softness, 50 shades (almost) of champagne will be revealed; the touristic treasures will whisper their little secrets to each other, the art and the products will make the senses tingle ...

Visits, tastings, master-classes, walks, workshops, unusual nights, romantic dinners, gift ideas ... there will be events and unique experiences for all lovers in Epernay and the surroundings, from Saturday the 11th of February to Tuesday the 14th of February 2023.

An enchanting break proposed by the Tourist Office of Epernay and its partners.

Champagne is to drink with restraint, but love is without measure.
