From the 9th to the 15th of February 2026,
the heart of the Champagne region never stops beating !

Champagne : to everyone, the word relates to elegance, sharing, and French Romanticism! This exceptionally famous wine is the perfect partner to all loving moments, both intimate and in company.

The unrivalled quality of its terroir delights both visitors and locals, who are seeking to fulfill their dreams and emotions.

In the region of Champagne, there are always some privileged moments to experience. This is why **during Valentine's Day**, our destination declares its love to its locals, as well as to its visitors, by inviting them to live **unique moments**.

The rendez-vous will be romantic or amazing, the events will flirt with the bubbles, the dishes and the wines, where 50 shades (almost) of champagne will be revealed ; the awesome treasures will whisper their little secrets to each other, the encounters will get your body and mind in a frenzy, the art and the products will make the senses tingle...

On the programme for this **5th edition** : Cult film at the cinema, concerts at the theatre, speed-artering at the museum, evening at the castle without Valentine, love machine party, Zumba® love party, slow dating at a donkey's pace, cellar visits and tastings by candlelight or lantern, sabrage, cooking class, creative and playful workshops, immersion in the heart of corsetry know-how, gourmet pairings of dishes with champagne, romantic meals and short-breaks, swimming on a cruise, wellness and relaxation moments, exhibitions & guided tours on the theme of love, chocolaty events, games and lots of prizes to be won... Unique experiences to enjoy in love, between friends or even on your own, on the occasion of St Valentine's, **from Monday 9th to Sunday 15th February 2026 in Epernay or nearby**.

An enchanting break proposed by **the Tourist Office of Epernay and its partners**.
